

# St. Joseph Hospital

## Gotham Division Webpage Navigator

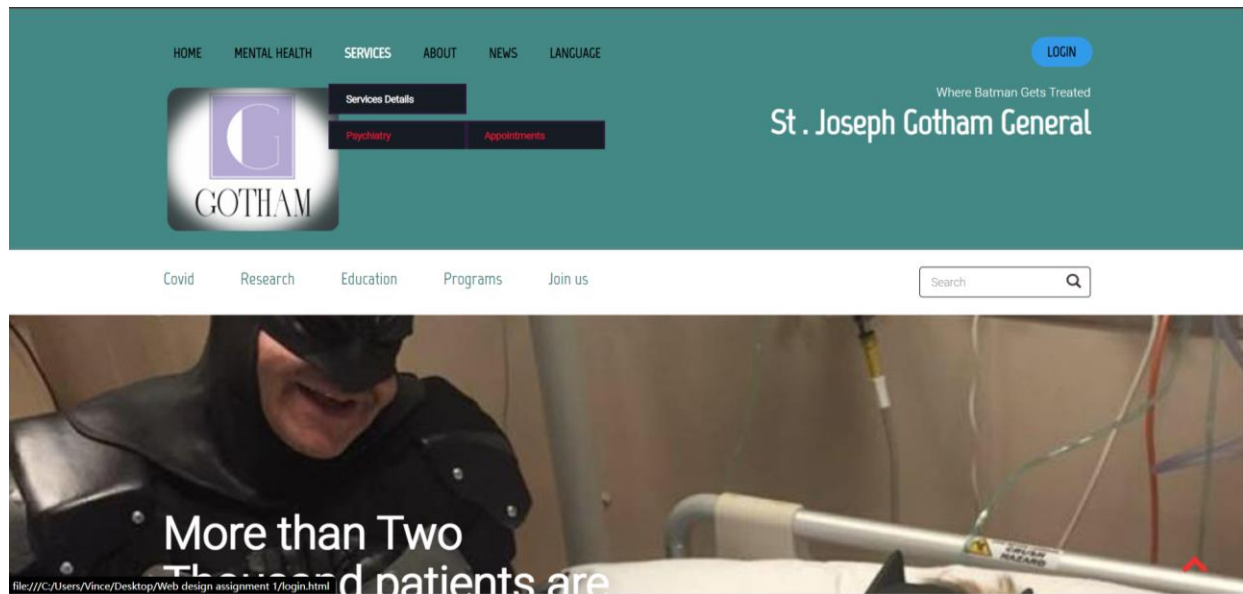

### Guide:

### Homepage:

First open the homepage.html. It shows the main page of St. Joseph Hospital that has two Nav bars and a shiny logo.

The page has primary and secondary nav bars for internal and external usage purposes. On the first Nav bar it's the assignment required.

When you move your cursor onto Service, it will show the drop-down list. In which if the user clicks on Appointments, the user then will be directed to the second page for appointment. Also, by clicking on login button or the join us button will perform the same function. If the user clicks home, then he will return to this homepage.

## 404 - PAGE NOT FOUND

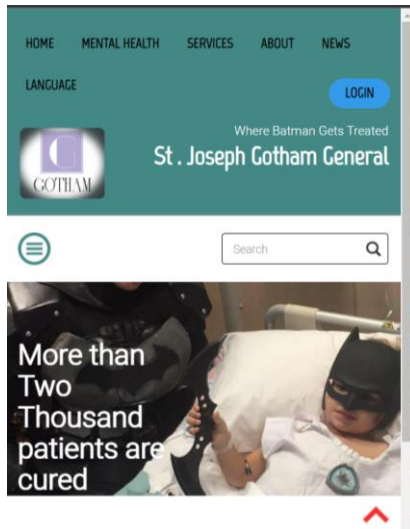

The page you are looking for might have been removed  
had its name changed or is temporarily unavailable.

[GO TO HOMEPAGE](#)

Additionally, when you click on other buttons of which functions has not yet been implemented, a 404 not found page will show up, and by clicking on the go to homepage button, the user will be directed to homepage.

On the bottom half of the website, it's a slideshow screen that has scrolling messages (3 pages slider). On the right bottom of the page, the red cursor will direct the user to the top of the page on click.

Lastly, when the user reviews this page on cellphone, it is responsive and the secondary nav bar is animated into the menu icon. Also, the logo as well as the sliders are responsive too.

### **Registration / Appointment Form Page:**

**There are two Login pages:**

- Login.html has the function of downloading the information to the local computer as a txt file and can be accessed on clicking Join us button.)
- Login.Php has the function of collecting user data into Userdata.txt and can be accessed on clicking on Login or appointment button under service.

(They have the same interface ).

The screenshot shows the top navigation bar of the St. Joseph Gotham General website. The navigation bar includes links for HOME, MENTAL HEALTH, SERVICES, ABOUT, NEWS, and LANGUAGE. A LOGIN button is located on the right. The website's logo, featuring a stylized 'G' and the word 'GOTHAM', is on the left. The tagline 'Where Batman Gets Treated' is above the name 'St. Joseph Gotham General'. Below the navigation bar, there are links for Covid, Research, Education, Programs, and Join us, along with a search bar. The main content area displays the 'Registration Form' with fields for FIRST NAME\*, LAST NAME\*, EMAIL\*, PHONE\*, CITY, PROVINCE, POSTAL CODE, and ADDRESS. A red arrow points to the bottom right of the form.

The second page contains the registration / appointment form. As it shows that the first name, last name, phone number, email part is all required filed. And will generate error message if submit button is clicked without those filled.

## Registration Form

This screenshot shows the registration form with a validation error message. The error message, displayed in a yellow box, states: 'Please fill out this field.' The error is associated with the EMAIL\* field. The form includes fields for FIRST NAME\*, LAST NAME\*, EMAIL\*, PHONE\*, CITY, PROVINCE, POSTAL CODE, and ADDRESS.

Also, for the email section, it has the validation function that will automatically report the wrong format. (In this case the input does not have a @ sign)

This screenshot shows the registration form with a validation error message. The error message, displayed in a yellow box, states: 'Please include an '@' in the email address. 'asda' is missing an '@'.' The error is associated with the EMAIL\* field, which contains the text 'ASDA'. The form includes fields for FIRST NAME\*, LAST NAME\*, EMAIL\*, PHONE\*, CITY, PROVINCE, POSTAL CODE, and ADDRESS.

For city and province, there is a selective drop-down list that can make user choose in the options given.

A form with several input fields. At the top, there are two rows of fields: 'EMAIL\*' and 'PHONE\*'. Below these are 'CITY' and 'PROVINCE'. The 'CITY' field has a dropdown menu open, showing options: 'Toronto', 'Mississauga', 'North York', 'Lorem', 'Lorem', and 'd'. Below the 'CITY' dropdown is a date picker field with a calendar icon. To the right of the 'CITY' dropdown is a 'Secondary Date' field with a date format 'MM/DD/YYYY' and a calendar icon. Below the 'Secondary Date' field is a 'Secondary Desired Time-frame' field.

For the appointment date, a date picker is implemented for user friendly purposes, also for the time frame, the time picker is used.

A form with several input fields. At the top, there are two rows of fields: 'Choose Two Appointment Dates' and 'Secondary Date'. The 'Choose Two Appointment Dates' field has a date format 'MM/DD/YYYY' and a calendar icon. Below this field is a date picker calendar for 'October 2021'. The calendar shows days from 26 to 31, with the 8th day highlighted. Below the calendar are 'Clear' and 'Today' buttons. To the right of the 'Choose Two Appointment Dates' field is a 'Secondary Date' field with a date format 'MM/DD/YYYY' and a calendar icon. Below the 'Secondary Date' field is a 'Secondary Desired Time-frame' field with a time format '---:--' and a clock icon. Below the 'Secondary Desired Time-frame' field is a time picker field with a time format '03:41 AM' and a clock icon. The time picker shows a list of times from 03:39 AM to 09:45 AM, with 04:41 AM highlighted. Below the time picker is a 'Submit Now' button.

Also, the user can upload their past health history in the upload section. (Accept word, excel, pdf format)
